VICE-RECTOR FOR RESEARCH AND INTERNATIONAL RELATIONS

Prof. Włodzimierz Lengauer

Warsaw, 6th July 2010

Dr. Georges Depeyrot
Archeologies d'Orient et d'Occident
Ecole Normale Supérieure
Paris

Dear Dr. Depeyrot,

On behalf of the University of Warsaw I would like to express our deep interest in applying for a project entitled: “**European Monetary Unification, from Antiquity to modern times (EMU)**” under the COST Programme.

The University will assure all necessary administrative support during the application process and the project implementation.

The University of Warsaw is actively involved in the preparation of the proposal. To this end five colleagues from the Institute of Archaeology are involved as experts: Prof. Aleksander Bursche, Dr. Renata Ciołek, Marcin Rudnicki, Anna Zapolska and Tomasz Więcek.

Once the application is accepted we will be happy to contribute scientifically to this project, which will win a better international recognition and mark presence of our Institute of Archaeology and the University Warsaw on the international research scene. For both the faculty members and students it would be a golden opportunity to present their own research achievements in international context as well as to become an integral part of the international scientific community.

Yours sincerely,

UNIVERSITY OF WARSAW
Prof. dr hab. Włodzimierz Lengauer
